

Appl. No. 10/790,450
Response to Communication dated December 17, 2005

BEST AVAILABLE COPY

REMARKS

Applicants are submitting this response to the USPTO communication dated December 17, 2005 and entitled Notice of Drawing Inconsistency with Specification (Notice). As previously provided, the specification has been amended. No new matter has been added thereby. Further, Applicants believe they have been fully responsive to the Notice. Accordingly, Applicants respectfully request that the present application pass to issuance.

Respectfully submitted,

BY 

Thomas C. Basso (46,541)
